

For The Good Of The Children

words + music: Adrienne Morgan Hammond; Arrg. A. + Marco Morgan Hammond

I.

It's called the place where life began, the center of all things.
Of warmth and grace, of love and light Colors magnificent.

It's people proud, but still in need, most of all the children---
There's still so much to be done, it would be a pity to forget them. Um.

Alleh alleh... alleh alleh alleh alleh... (1x)

II.

They need more schools, a chance to learn
Good strong leaders to help them
Build life anew. A future too, full of promise and independence.

It's not just money that they need, it's peace and understanding.
And hope that's based on solid dreams, no, they shouldn't be forgotten.

Chorus:

All we do, all that we do should be for the good of the children,
All we give, all that we give should be for the good of them all! (2x)

Alleh alleh... alleh alleh alleh alleh... (2x)
